How to connect

01 Choose a gift

Practical help

Every gift funds the real services provided to our communities by Anglicare's Financial Wellbeing, Foster Care, and Chaplaincy teams.

02 Write a message

Meaningful connection

Your simple act of connection lets someone know they are supported by a wider church community. Our team will hand-deliver messages during moments of care this year.

Thanks be to God for his indescribable gift. – 2 Corinthians 9:15
