

Share help and hope with a neighbour who needs both.

christmas.anglicare.org.au

Dear Church,

This Advent, our church is joining Anglicare Christmas Connection, supporting families in our community facing hardship.

As followers of Jesus, we have a special role to play in sharing his love with our neighbours. From **[date]** to **[date]**, we'll have a station in **[XXX]** where you can give generously towards Anglicare's work, pray for the people they support, and write personal messages of encouragement to be shared throughout the year.

Imagine the impact we could have if each of us took one simple step towards connection this Christmas. Please join us as we share gospel hope with people in our community.
